24th Infantry,
A & R Clerk,
Fort Benning, Ga.

Dear Corporal:

I wrote you several letters and did not get any answers and thought I would write you again with respect to training down there this Spring.

Will appreciate very much if we could get an immediate answer. The Club has been training in Jacksonville, Fla., but after seeing the set-up at Fort Benning, I like the site to train and get the Club in condition. If you can send me information as to how we can make arrangements to train there in the Spring for a month, I will greatly appreciate the same.

If any one went to any extra expense in advertising the games we were forced to cancel out last Fall, we will be glad to take care of that.also.

Will appreciate your giving this your immediate attention, because it is getting near time for us to select our training site.

Yours very truly,

DL:CCJ

Newark Eagles Baseball Club
Newark, New Jersey.

Dear Sir:

Sorry that we can not get permission to have you train here for a month but we can arrange for one (1) week and play several exhibition games. The charge for food will be Two and 50/100 dollars (\$2.50) per man for the entire week. This also covers bedding etc. Any games played here if there is a charge, we shall give you 50 % of the gate.
